Pomaria Road School

Statement of Responsibility

For the year ended 31 December 2024

The Board accepts responsibility for the preparation of the annual financial statements and the judgements used in these financial statements.

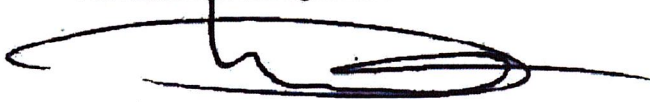

The management (including the Principal and others, as directed by the Board) accepts responsibility for establishing and maintaining a system of internal controls designed to provide reasonable assurance as to the integrity and reliability of the School's financial reporting.

It is the opinion of the Board and management that the annual financial statements for the financial year ended 31 December 2024 fairly reflects the financial position and operations of the School.

The School's 2024 financial statements are authorised for issue by the Board.

Cash flows from Financing Activities				
Furniture and Equipment Grant		27,321	-	-
Distributions to Ministry of Education		-	-	(35,969)
Finance Lease Payments		(22,617)	(5,744)	(23,074)
Funds Administered on Behalf of Other Parties		(9,693)	(29,570)	89,602
Net cash from/(to) Financing Activities		(4,989)	(35,314)	30,559
Net increase/(decrease) in cash and cash equivalents		1,180,733	2,235,287	(278,028)
Cash and cash equivalents at the beginning of the year	7	70,847	359,104	348,875
Cash and cash equivalents at the end of the year	7	1,251,580	2,594,391	70,847

The Statement of Cash Flows records only those cash flows directly within the control of the School. This means centrally funded teachers' salaries, use of land and buildings grant and expense and other notional items have been excluded.

The above Statement of Cash Flows should be read in conjunction with the accompanying notes which form part of these financial statements.

Pomaria Road School

Notes to the Financial Statements

For the year ended 31 December 2024

1. Statement of Accounting Policies

a) Reporting Entity

Pomaria Road School (the School) is a Crown entity as specified in the Crown Entities Act 2004 and a School as described in the Education and Training Act 2020. The Board is of the view that the School is a public benefit entity for financial reporting purposes.

b) Basis of Preparation

Reporting Period

The financial statements have been prepared for the period 1 January 2024 to 31 December 2024 and in accordance with the requirements of the Education and Training Act 2020.

Basis of Preparation

The financial statements have been prepared on a going concern basis, and the accounting policies have been consistently applied throughout the period.

Financial Reporting Standards Applied

The Education and Training Act 2020 requires the School, as a Crown entity, to prepare financial statements with reference to generally accepted accounting practice. The financial statements have been prepared with reference to generally accepted accounting practice in New Zealand, applying Public Sector Public Benefit Entity (PBE) Standards Reduced Disclosure Regime as appropriate to public benefit entities that qualify for Tier 2 reporting. The School is considered a Public Benefit Entity as it meets the criteria specified as 'having a primary objective to provide goods and/or services for community or social benefit and where any equity has been provided with a view to supporting that primary objective rather than for financial return to equity holders'.

PBE Accounting Standards Reduced Disclosure Regime

The School qualifies for Tier 2 as the School is not publicly accountable and is not considered large as it falls below the expense threshold of \$33 million per year. All relevant reduced disclosure concessions have been taken.

Measurement Base

The financial statements are prepared on the historical cost basis unless otherwise noted in a specific accounting policy.

Presentation Currency

These financial statements are presented in New Zealand dollars, rounded to the nearest dollar.

Specific Accounting Policies

The accounting policies used in the preparation of these financial statements are set out below.

Critical Accounting Estimates And Assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Cyclical maintenance

The School recognises its obligation to maintain the Ministry's buildings in a good state of repair as a provision for cyclical maintenance. This provision relates mainly to the painting of the School buildings. The estimate is based on the School's best estimate of the cost of painting the School and when the School is required to be painted, based on an assessment of the School's condition. During the year, the Board assesses the reasonableness of its painting maintenance plan on which the provision is based. Cyclical maintenance is disclosed at note 14.

Useful lives of property, plant and equipment

The School reviews the estimated useful lives of property, plant and equipment at the end of each reporting date. The School believes that the estimated useful lives of the property, plant and equipment, as disclosed in the significant accounting policies, are appropriate to the nature of the property, plant and equipment at reporting date. Property, plant and equipment is disclosed at note 11.

Critical Judgements in applying accounting policies

Management has exercised the following critical judgements in applying accounting policies:

Classification of leases

Determining whether a lease is a finance lease or an operating lease requires judgement as to whether the lease transfers substantially all the risks and rewards of ownership to the School. A lease is classified as a finance lease if it transfers substantially all risks and rewards incidental to ownership of an underlying asset to the lessee. In contrast, an operating lease is a lease that does not transfer substantially all the risks and rewards incidental to ownership of an asset to the lessee.

Judgement is required on various aspects that include, but are not limited to, the fair value of the leased asset, the economic life of the leased asset, whether or not to include renewal options in the lease term, and determining an appropriate discount rate to calculate the present value of the minimum lease payments. Classification as a finance lease means the asset is recognised in the statement of financial position as property, plant, and equipment, whereas for an operating lease no such asset is recognised. Finance lease liability disclosures are contained in note 15. Future operating lease commitments are disclosed in note 21.

Recognition of grants

The School reviews the grants monies received at the end of each reporting period and whether any require a provision to carry forward amounts unspent. The School believes all grants received have been appropriately recognised as a liability if required. Government grants are disclosed at note 2.

c) Revenue Recognition

Government Grants

The School receives funding from the Ministry of Education. The following are the main types of funding that the School receives:

Operational grants are recorded as revenue when the School has the rights to the funding, which is in the year that the funding is received.

Teachers salaries grants are recorded as revenue when the School has the rights to the funding in the salary period they relate to. The grants are not received in cash by the School and are paid directly to teachers by the Ministry of Education.

Other Ministry Grants for directly funded programs are recorded as revenue when the School has the rights to the funding in the period they relate to. The grants are not received in cash by the School and are paid directly by the Ministry of Education.

The property from which the School operates is owned by the Crown and managed by the Ministry of Education on behalf of the Crown. Grants for the use of land and buildings are not received in cash by the School as they equate to the deemed expense for using the land and buildings which are owned by the Crown. The School's use of the land and buildings as occupant is based on a property occupancy document as gazetted by the Ministry. The expense is based on an assumed market rental yield on the value of land and buildings as used for rating purposes.

This is a non-cash revenue that is offset by a non-cash expense. The use of land and buildings grants and associated expenditure are recorded in the period the School uses the land and buildings.

Other Grants where conditions exist

Other grants are recorded as revenue when the School has the rights to the funding, unless there are unfulfilled conditions attached to the grant, in which case the amount relating to the unfulfilled conditions is recognised as a liability and released to revenue as the conditions are fulfilled.

Donations, Gifts and Bequests

Donations, gifts and bequests are recognised as an asset and revenue when the right to receive funding or the asset has been established unless there is an obligation to return funds if conditions are not met. If conditions are not met, funding is recognised as revenue in advance and recognised as revenue when conditions are satisfied.

Interest Revenue

Interest Revenue earned on cash and cash equivalents and investments is recorded as revenue in the period it is earned.

d) Operating Lease Payments

Payments made under operating leases are recognised in the Statement of Comprehensive Revenue and Expense on a straight line basis over the term of the lease.

e) Finance Lease Payments

Finance lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term on an effective interest basis.

f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, bank balances, deposits held at call with banks, and other short term highly liquid investments with original maturities of 90 days or less, and bank overdrafts. The carrying amount of cash and cash equivalents represent fair value.

g) Accounts Receivable

Short-term receivables are recorded at the amount due, less an allowance for expected credit losses (uncollectable debts). The School's receivables are largely made up of funding from the Ministry of Education. Therefore the level of uncollectable debts is not considered to be material. However, short-term receivables are written off when there is no reasonable expectation of recovery.

h) Inventories

Inventories are consumable items held for sale and are comprised of stationery and school uniforms. They are stated at the lower of cost and net realisable value. Cost is determined on a first in, first out basis. Net realisable value is the estimated selling price in the ordinary course of activities less the estimated costs necessary to make the sale. Any write down from cost to net realisable value is recorded as an expense in the Statement of Comprehensive Revenue and Expense in the period of the write down.

i) Investments

Bank term deposits are initially measured at the amount invested. Interest is subsequently accrued and added to the investment balance. A loss allowance for expected credit losses is recognised if the estimated loss allowance is material.

j) Property, Plant and Equipment

Land and buildings owned by the Crown are excluded from these financial statements. The Board's use of the land and buildings as 'occupant' is based on a property occupancy document.

Improvements (funded by the Board) to buildings owned by the Crown or directly by the Board are recorded at cost, less accumulated depreciation and impairment losses.

Property, plant and equipment are recorded at cost or, in the case of donated assets, fair value at the date of receipt, less accumulated depreciation and impairment losses. Cost or fair value, as the case may be, includes those costs that relate directly to bringing the asset to the location where it will be used and making sure it is in the appropriate condition for its intended use.

Gains and losses on disposals (i.e. sold or given away) are determined by comparing the proceeds received with the carrying amounts (i.e. the book value). The gain or loss arising from the disposal of an item of property, plant and equipment is recognised in the Statement of Comprehensive Revenue and Expense.

Finance Leases

A finance lease transfers to the lessee substantially all the risks and rewards incidental to ownership of an asset, whether or not title is eventually transferred. At the start of the lease term, finance leases are recognised as assets and liabilities in the statement of financial position at the lower of the fair value of the leased asset or the present value of the minimum lease payments. The finance charge is charged to the surplus or deficit over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability. The amount recognised as an asset is depreciated over its useful life. If there is no reasonable certainty whether the School will obtain ownership at the end of the lease term, the asset is fully depreciated over the shorter of the lease term and its useful life.

Depreciation

Property, plant and equipment except for library resources are depreciated over their estimated useful lives on a straight line basis. Library resources are depreciated on a diminishing value basis. Depreciation of all assets is reported in the Statement of Comprehensive Revenue and Expense.

The estimated useful lives of the assets are:

Building Improvements	40 years
Furniture and Equipment	10 years
Information and Communication Technology	4 years
Motor Vehicles	5 years
Leased Assets held under a Finance Lease	3-5 Years
Library Resources	12.5% Diminishing value

k) Accounts Payable

Accounts Payable represents liabilities for goods and services provided to the School prior to the end of the financial year which are unpaid. Accounts Payable are recorded at the amount of cash required to settle those liabilities. The amounts are unsecured and are usually paid within 30 days of recognition.

l) Employee Entitlements

Short-term employee entitlements

Employee entitlements that are expected to be settled within 12 months after the end of the reporting period in which the employees provide the related service are measured based on accrued entitlements at current rates of pay. These include salaries and wages accrued up to balance date and annual leave earned, by non teaching staff, but not yet taken at balance date.

Long-term employee entitlements

Employee benefits that are not expected to be settled wholly before 12 months after the end of the reporting period in which the employee provides the related service, such as retirement and long service leave, have been calculated on an actuarial basis.

The calculations are based on the likely future entitlements accruing to employees, based on years of service, years to entitlement, the likelihood that employees will reach the point of entitlement, and contractual entitlement information, and the present value of the estimated future cash flows. Remeasurements are recognised in surplus or deficit in the period in which they arise.

m) Revenue Received in Advance

Revenue received in advance relates to fees received from grants received, where there are unfulfilled obligations for the School to provide services in the future. The fees or grants are recorded as revenue as the obligations are fulfilled and the fees or grants are earned.

n) Funds held for Capital works

The School directly receives funding from the Ministry of Education for capital works projects that are included in the School five year capital works agreement. These funds are held on behalf and for a specified purpose. As such, these transactions are not recorded in the Statement of Comprehensive Revenue and Expense.

The School holds sufficient funds to enable the funds to be used for their intended purpose at any time.

o) Provision for Cyclical Maintenance

The property from which the School operates is owned by the Crown, and is vested in the Ministry. The Ministry has gazetted a property occupancy document that sets out the Board's property maintenance responsibilities. The Board is responsible for maintaining the land, buildings and other facilities on the School site in a state of good order and repair.

Cyclical maintenance, which involves painting the interior and exterior of the school, makes up the most significant part of the Board's responsibilities outside day-to-day maintenance. The provision is a reasonable estimate, based on the School's best estimate of the cost of painting the school and when the school is required to be painted, based on an assessment of the school's condition.

The School carries out painting maintenance of the whole school over a 7 to 10 year period. The economic outflow of this is dependent on the plan established by the School to meet this obligation and is detailed in the notes and disclosures of these accounts.

p) Financial Instruments

The School's financial assets comprise cash and cash equivalents, accounts receivable, and investments. All of these financial assets, except for investments that are shares, are initially recognised at fair value and subsequently measured at amortised cost, using the effective interest method.

The School's financial liabilities comprise accounts payable and finance lease liability. Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and any gain or loss on derecognition are recognised in surplus or deficit.

q) Goods and Services Tax (GST)

The financial statements have been prepared on a GST exclusive basis, with the exception of accounts receivable and accounts payable which are stated as GST inclusive.

The net amount of GST paid to, or received from, the IRD, including the GST relating to investing and financing activities, is classified as a net operating cash flow in the statement of cash flows.

Commitments and contingencies are disclosed exclusive of GST.

r) Budget Figures

The budget figures are extracted from the School budget that was approved by the Board.

s) Services received in-kind

From time to time the School receives services in-kind, including the time of volunteers. The School has elected not to recognise services received in kind in the Statement of Comprehensive Revenue and Expense.

2. Government Grants

	2024 Actual	2024 Budget (Unaudited)	2023 Actual
	\$	\$	\$
Government Grants - Ministry of Education	1,355,053	1,097,800	1,265,267

5. Administration

	2024 Actual \$	2024 Budget (Unaudited) \$	2023 Actual \$
Audit Fees	9,458	7,000	7,008
Board Fees and Expenses	10,844	22,500	11,767
Operating Leases	559	1,000	-
Other Administration Expenses	68,879	82,263	67,351
Employee Benefits - Salaries	142,655	152,500	138,273
Insurance	9,240	11,900	8,920
Service Providers, Contractors and Consultancy	30,342	35,480	31,693
Ka Ora, Ka Ako - Healthy School Lunches Programme	555,926	-	659,033
	<u>827,903</u>	<u>312,643</u>	<u>924,045</u>

6. Property

	2024 Actual \$	2024 Budget (Unaudited) \$	2023 Actual \$
Cyclical Maintenance	14,968	-	(39,697)
Heat, Light and Water	41,597	39,100	36,152
Rates	44	1,000	61
Repairs and Maintenance	45,047	75,556	104,544
Use of Land and Buildings	907,771	771,504	854,128
Employee Benefits - Salaries	87,851	85,750	80,552
Other Property Expenses	90,860	98,350	93,316
	<u>1,188,138</u>	<u>1,071,260</u>	<u>1,129,056</u>

The use of land and buildings figure represents 5% of the school's total property value. Property values are established as part of the nation-wide revaluation exercise that is conducted every 30 June for the Ministry of Education's year-end reporting purposes.

7. Cash and Cash Equivalents

	2024 Actual \$	2024 Budget (Unaudited) \$	2023 Actual \$
Bank Accounts	1,251,581	94,390	70,847
Cash and cash equivalents for Statement of Cash Flows	<u>1,251,581</u>	<u>2,594,390</u>	<u>70,847</u>

Of the \$1,251,581 Cash and Cash Equivalents, \$4,916 is held by the School on behalf of the Ministry of Education. These funds have been provided by the Ministry as part of the school's 5 Year Agreement funding for upgrades to the school's buildings and include retentions on the projects, if applicable. The funds are required to be spent in 2025 on Crown owned school buildings.

8. Accounts Receivable

	<u>60,690</u>	<u>55,152</u>	<u>33,392</u>

16. Funds Held for Capital Works Projects

During the year the School received and applied funding from the Ministry of Education for the following capital works projects. The amount of cash held on behalf of the Ministry for capital works project is included under cash and cash equivalents in note 7, and includes retentions on the projects, if applicable.

2024	Opening Balances \$	Receipts from MOE \$	Payments \$	Board Contributions \$	Closing Balances \$

17. Related Party Transactions

The School is a controlled entity of the Crown, and the Crown provides the major source of revenue to the School. The School enters into transactions with other entities also controlled by the Crown, such as government departments, state-owned enterprises and other Crown entities. Transactions with these entities are not disclosed as they occur on terms and conditions no more or less favourable than those that it is reasonable to expect the school would have adopted if dealing with that entity at arm's length.

Related party disclosures have not been made for transactions with related parties that are within a normal supplier or client/recipient relationship on terms and condition no more or less favourable than those that it is reasonable to expect the School would have adopted in dealing with the party at arm's length in the same circumstances. Further, transactions with other government agencies (for example, Government departments and Crown entities) are not disclosed as related party transactions when they are consistent with the normal operating arrangements between government agencies and undertaken on the normal terms and conditions for such transactions.

18. Remuneration

Key management personnel compensation

Key management personnel of the School include all Board members, Principal, Deputy Principals and Heads of Departments.

	2024 Actual \$	2023 Actual \$
<i>Board Members</i>		
Remuneration	3,240	3,510
<i>Leadership Team</i>		
Remuneration	420,846	285,332
Full-time equivalent members	3	2
Total key management personnel remuneration	424,086	288,842

There are 7 members of the Board excluding the Principal. The Board has held 6 full meetings of the Board in the year. As well as these regular meetings, including preparation time, the Presiding member and other Board members have also been involved in ad hoc meetings to consider student welfare matters including stand downs, suspensions, and other disciplinary matters.

Principal

The total value of remuneration paid or payable to the Principal was in the following bands:

	2024 Actual \$000	2023 Actual \$000
Salaries and Other Short-term Employee Benefits:		
Salary and Other Payments	170-180	160-170
Benefits and Other Emoluments	0-5	0-5

Other Employees

The number of other employees with remuneration greater than \$100,000 was in the following bands:

Remuneration \$000	2024 FTE Number	2023 FTE Number
100 - 110	6.00	4.00
110 - 120	0.00	1.00
120 - 130	2.00	0.00
	8.00	5.00

The disclosure for 'Other Employees' does not include remuneration of the Principal.

19. Compensation and Other Benefits Upon Leaving

The total value of compensation or other benefits paid or payable to persons who ceased to be board members, committee members, or employees during the financial year in relation to that cessation and number of persons to whom all or part of that total was payable was as follows:

	2024 Actual	2023 Actual
Total	-	-
Number of People	-	-

20. Contingencies

There are no contingent liabilities (except as noted below) and no contingent assets as at 31 December 2024 (Contingent liabilities and assets at 31 December 2023: nil).

Holidays Act Compliance – Schools Payroll

The Ministry of Education performs payroll processing and payments on behalf of boards, through payroll service provider, Education Payroll Limited.

The Ministry continues to review the Schools Sector Payroll to ensure compliance with the Holidays Act 2003. An initial remediation payment has been made to some current school employees. The Ministry is continuing to perform detailed analysis to finalise calculations and the potential impacts of specific individuals. As such, this is expected to resolve the liability for school boards.

Pay Equity and Collective Agreement Funding Wash-up

In 2024 the Ministry of Education provided additional funding for both the Support Staff in Schools' Collective Agreement (CA) Settlement and the Teacher Aide Pay Equity Settlement. At the date of signing the financial statements the School's final entitlement for the year ended 31 December 2024 has not yet been advised. The School has therefore not recognised an asset or a liability regarding this funding wash-up, which is expected to be settled in July 2025.

21. Commitments

(a) Capital Commitments

At 31 December 2024, the Board had capital commitments of \$7,516 (2023:\$183,479) as a result of entering the following contracts:

Contract Name	2024 Capital Commitment
11,2,7, Roof Gutter & Skylight Replacement	\$ 7,516
Total	<u>7,516</u>

The Board receives funding from the Ministry of Education for Capital Works which is disclosed in note 16.

22. Financial Instruments

The carrying amount of financial assets and liabilities in each of the financial instrument categories are as follows:

Financial assets measured at amortised cost

	2024 Actual	2024 Budget (Unaudited)	2023 Actual
	\$	\$	\$
Cash and Cash Equivalents	1,251,581	2,594,390	70,847
Receivables	237,828	220,692	220,692
Investments - Term Deposits	2,031,072	-	2,877,776
Total financial assets measured at amortised cost	<u>3,520,481</u>	<u>2,815,082</u>	<u>3,169,315</u>

Financial liabilities measured at amortised cost

Payables	277,894	221,378	221,378
Finance Leases	60,690	55,152	33,392
Total financial liabilities measured at amortised cost	<u>338,584</u>	<u>276,530</u>	<u>254,770</u>

23. Events After Balance Date

There were no significant events after the balance date that impact these financial statements.

24. Comparatives

There have been a number of prior period comparatives which have been reclassified to make disclosure consistent with the current year.

INDEPENDENT AUDITOR'S REPORT

TO THE READERS OF POMARIA ROAD SCHOOL'S FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

The Auditor-General is the auditor of Pomaria Road School (the School). The Auditor-General has appointed me, Cynthia Forbes, using the staff and resources of Forbes Audit and Accounting Limited, to carry out the audit of the financial statements of the School on his behalf.

Opinion

We have audited the financial statements of the School on pages 2 to 17, that comprise the statement of financial position as at 31 December 2024, the statement of comprehensive revenue and expense, statement of changes in net assets/equity and statement of cash flows for the year ended on that date, and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion the financial statements of the School:

- present fairly, in all material respects:
 - the financial position as at 31 December 2024; and
 - the financial performance and cash flows for the year then ended; and
- comply with generally accepted accounting practice in New Zealand in accordance with Public Sector Public Benefit Entity (PBE) Standards Reduced Disclosure Regime

Our audit was completed on 30 May 2025. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board and our responsibilities relating to the financial statements, we comment on other information, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board for the financial statements

The Board is responsible on behalf of the School for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand.

The Board is responsible for such internal control as it determines is necessary to enable it to prepare financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible on behalf of the School for assessing the School's ability to continue as a going concern. The Board is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless there is an intention to close or merge the School, or there is no realistic alternative but to do so.

The Board's responsibilities arise from section 134 of the Education and Training Act 2020.

Responsibilities of the auditor for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers taken on the basis of these financial statements.

For the budget information reported in the financial statements, our procedures were limited to checking that the information agreed to the School's approved budget.

We did not evaluate the security and controls over the electronic publication of the financial statements.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- We assess the risk of material misstatement arising from the school payroll system, which may still contain errors. As a result, we carried out procedures to minimise the risk of material errors arising from the system that, in our judgement, would likely influence readers' overall understanding of the financial statements.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Other information

The Board is responsible for the other information. The other information includes the statement of responsibility, statement of variance, compliance with good employer requirements, and kiwisport funding report, but does not include the financial statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the School in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards)* (New Zealand) (PES 1) issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with, or interests in, the School.

Other Matter

The financial statements for the year ended 31 December 2023 were audited by another auditor, RSM Hayes Audit who expressed an unqualified opinion on the audit report dated 11 February 2025.

A handwritten signature in blue ink, appearing to read "Cynthia Forbes", with a long horizontal flourish extending to the right.

Cynthia Forbes
Forbes Audit and Accounting Limited

Target: By the end of 2024, to have our Learners at their expected curriculum level.			
Actions (what did we do?)	Outcomes (what happened?)	Reasons for the variance (why did it happen?)	Evaluation (where to next?)
<ul style="list-style-type: none"> Strand assessments aligned to the ARBs and CCD have now been completed. The maths team of 2025 will review and QC these assessments and make minor adjustments as needed. The creation of the marking schedules for each assessment will need to be outsourced also in 2025, if we are going to continue to use these with the introduction of Prime.. Assessments at Pomaria now focus on each math strand. The data provided given an overall average math level, however data is now available strand by strand. This allows the school to focus PLD on strands that need extra support and also acknowledge and utilise curriculum strengths. An impact we are seeing is that due to the content of the maths curriculum most strands are taught bi-annually therefore the averages are low to begin with but also we expect them to increase quickly as learners are re-assessed every second year. There is no formal assessment for number as this strand is integrated through all the 	<p>End of year Data collection for 2024 show.</p> <ul style="list-style-type: none"> At and Above for our year 1 Learners: 74% for All 67% for Māori 76% for Pasifika At and Above for our Year 6 Learners: 35% for All 40% for Māori 21% for Pasifika Pasifika learners had the highest percentage at and above their curriculum levels in years 1 & 3 Māori learners had the highest percentage at and above their curriculum levels in year 6. 	<p>The maths assessment frameworks are used to develop and track goals, that are shared with whānau throughout the year.</p> <p>ARBs are now used to assist with the assessment of all learners. Google forms have been created for levels 1-4, and the teachers have a clear idea of the difference between each level. They are also to utilise the CCD if they are unsure of what to teach at each level and what they should be</p>	<p>Introduce Prime in 2025, start with small control group and have them 1 term ahead of the rest of the school.</p> <p>DMIC principals of problem solving are still to be used as part of a balanced math programme.</p> <p>Math team to review and fine tune the frameworks during 2025 to align to new curriculum and phases.</p> <p>Identify areas of content knowledge PLD for teachers.</p> <p>At the end of each term math team to develop PLD for the following term.</p>

<p>others. Prime has an assessment strand that will need to be analysed in 2025 to see if this can be integrated with current assessment practices. Also PAT will be introduced beginning and end of 2025 in preparation for MoE assessment guidelines for 2026. This will give the learners an opportunity to use the PATs before next year.</p> <ul style="list-style-type: none"> • Whānau get more accurate picture of our Learners overall mathematics level due to the change in assessment and recording. • IMPACT Coaching- Culturally Responsive Pedagogy • Open door policy – parents/caregivers' members of the community encouraged to participate in class/school math programmes. • Teacher/Leaders knowledge and use of effective practice is raised through discussion and ongoing professional development 		<p>looking for in math sessions and assessments.</p> <p>Teachers are also using the Pomaria Math Frameworks to monitor learner progress throughout the year and across their time at Pomaria.</p> <p>Fluid assessment times, assess as learning.</p>	<p>PLD for all staff with the use of the CCD as a teaching and planning resource.</p> <p>Tracked target Learners in all PLGs to monitor progress throughout the year.</p> <p>An intergal part of Pomaria Primary School and will be :</p> <ul style="list-style-type: none"> • Community Involvement – goal setting evening with parent/caregiver and Learner. Te Tiriti o Waitangi –

Pomaria Primary School Strategic Plan 2024/5

Driver 2 – Barrier Free Access: Meaningfully incorporate Te Reo Māori and Pasifika language and culture into our kura through the lens of our local curriculum.

Te Tiriti o Waitangi is one of Aotearoa New Zealand's founding documents and represents the binding contract between Māori and the Crown. Pomaria Primary School recognises our role and responsibility to honour and give effect to te Tiriti o Waitangi.

Under the Education and Training Act 2020, a primary objective of the board of Pomaria Primary School is giving effect to te Tiriti o Waitangi. We do this by:

- working to ensure our plans, policies, and local curriculum reflect local tikanga Māori, mātauranga Māori, and te ao Māori
- taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori
- achieve equitable outcomes for Māori students
- providing opportunities for learners to appreciate the importance of te Tiriti o Waitangi and te reo Māori.

Pomaria Primary School works from the principles of partnership, protection, and participation to meet our obligations under te Tiriti o Waitangi. These principles reflect the three articles of te Tiriti.

Partnership

Pomaria Primary School aims to work in partnership with our local Māori community to support rangatiratanga/self-determination. We actively seek the guidance of our local Māori community to help us better meet the needs of our ākonga Māori and ensure they experience educational success as Māori.

We consult with our local Māori community on the development of our charter/strategic plan to make sure it reflects and upholds appropriate tikanga Māori and te ao Māori. We seek opportunities to collaborate with Māori to invest in, develop, and deliver Māori-medium learning (NELP Priority 2).

Protection

Pomaria Primary School actively protects and upholds mātauranga Māori, te reo Māori, and tikanga Māori, and ensures they are meaningfully incorporated into the everyday life of our school (NELP Objective 5). We actively engage with Ka Hikitia .

We take all reasonable steps to make instruction available in te reo Māori and tikanga Māori. Our school has two Māori bilingual units in which 31–50% of the curriculum is taught in te reo Māori; a year 3/4 class and a year 5/6 class,

We support our teachers to build their teaching capability, knowledge, and skills in te reo Māori and tikanga Māori. We provide opportunities for teachers to develop their understanding and practice of culturally responsive teaching that takes into account ākonga contexts (NELP Priority 6).

Participation

Pomaria Primary School has high aspirations for every student. We encourage the participation and engagement of students and their whānau in all aspects of school life.

Our relationships with our school community help us meet the needs of all students and sustain their identities, languages, and cultures. The participation of whānau and our wider Māori community actively informs the way we design and deliver education to ensure ākonga Māori experience educational success as Māori (NELP Priority 2).

Māori Educational Achievement

The board of Pomaria Primary School is responsible for supporting Māori educational achievement. We are guided by the following objectives under the Education and Training Act (s 127):

- ensuring that every student is able to attain their highest possible standard in educational achievement
- giving effect to te Tiriti o Waitangi by:
 - working to ensure that our plans, policies, and local curriculum reflect local tikanga Māori, mātauranga Māori, and te ao Māori
 - taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori
 - achieving equitable outcomes for ākonga Māori.

Planning for Māori educational achievement

Our responsibilities under the National Education Learning Priorities (NELP) include:

- having high aspirations for every student (Objective 1, Priority 2)
- reducing barriers to educational opportunities (Objective 2).

Pomaria Primary School works to meet these responsibilities by partnering with whānau to design and deliver education that responds to the needs of students, and sustains their identities, languages, and cultures. We engage with parents and whānau to identify barriers that may prevent students from accessing, participating in, or remaining engaged in schooling, and we work to address any barriers.

We aim to build strong relationships with whānau, hapū, and iwi.

Our strategic planning reflects the identities, needs, and aspirations of our school community, and addresses how we support students whose needs have not yet been well met. We regularly review our progress towards achieving equitable outcomes, as set out in our strategic plan. We are accountable and responsive to the needs of our students and community through regular reporting and review.

Teaching and leadership

Our teaching and leadership practices promote achievement, inclusion, and equity. We ensure that the school is a physically and emotionally safe place and we work to eliminate racism, discrimination, and stigma.

Our teaching and leadership supports equitable outcomes by:

- incorporating te reo Māori, mātauranga Māori, and tikanga Māori into teaching and the day-to-day life of our school
- demonstrating integrity, sincerity, and respect towards Māori beliefs, language, and culture
- affirming ākonga Māori as Māori, and building productive partnerships with ākonga Māori and their whānau, local hapū, and iwi
- monitoring achievement to provide support (including learning support) or extension programmes as required
- supporting staff to access appropriate professional development.

We recognise the relationship between achievement and wellbeing, and support students in the wellbeing areas of taha tinana (physical), taha hinengaro (mental/emotional), taha whānau (social/family), and taha wairua (spiritual) as important outcomes of schooling alongside academic success.

KIWISPORT NOTE

Refer to the 2023 Annual report and the note included in the audited accounts. This is a sample only.

Kiwisport is a Government funding initiative to support students' participation in organised sport. In 2024, the school received total Kiwisport funding of \$7402.96 (excluding GST). The funding was spent on sports equipment and programmes to introduce new sporting codes to the school. This has seen a large increase in the number of learners participating in organised sport.

Pomaria Primary compliance with the Education and Training Act 2020 requirements to be a good employer for the year ending 31 December 2024.

Reporting on the principles of being a Good Employer	
How have you met your obligations to provide good and safe working conditions?	<p>Review of health and safety policies and procedures</p> <p>Appointment of health and safety officer</p> <p>Induction, workers/new staff to read and familiarise themselves with the health and safety procedures at Pomaria</p> <p>Hazards /are reported and either isolated or eliminated</p> <p>Refer to SchoolDocs for policies/procedures</p>
What is in your equal employment opportunities programme? How have you been fulfilling this programme?	<p>Pomaria operates an employment policy that complies with the principles of being a good employer.</p> <p>Ensures fair and proper treatment of staff</p> <p>EEO policy is our framework for providing an inclusive, non-discriminatory workplace for all.</p>
How do you practise impartial selection of suitably qualified persons for appointment?	<p>Pomaria School ensures:</p> <ul style="list-style-type: none"> - Treat current and prospective staff fairly - Make decisions based on relevant merit - Work to eliminate bias and discrimination
How are you recognising, <ul style="list-style-type: none"> - The aims and aspirations of Māori, - The employment requirements of Māori, and - Greater involvement of Māori in the Education service? 	<ul style="list-style-type: none"> - Engaging with parents and whānau to identify barriers that may prevent students from accessing, participating in, or remaining engaged in schooling, and we work to address any barriers. - By partnering with whānau to design and deliver education that responds to the needs of students, and sustains their identities, languages, and cultures. - Employment of Māori staff in areas of responsibility across our Kura (Deputy principal, lead teachers, etc)
How have you enhanced the abilities of individual employees?	<ul style="list-style-type: none"> - Promotion of internal staff to leadership positions - Appointment of staff to the learning support coordinator role
How are you recognising the employment requirements of women?	<ul style="list-style-type: none"> - make decisions based on relevant merit - work to eliminate bias and discrimination.
How are you recognising the employment requirements of persons with disabilities?	<ul style="list-style-type: none"> - make decisions based on relevant merit - work to eliminate bias and discrimination.

Reporting on Equal Employment Opportunities (EEO) Programme/Policy	YES	NO
Do you operate an EEO programme/policy?	<input checked="" type="checkbox"/>	
Has this policy or programme been made available to staff?	<input checked="" type="checkbox"/>	
Does your EEO programme/policy include training to raise awareness of issues which may impact EEO?		<input checked="" type="checkbox"/>
Has your EEO programme/policy appointed someone to coordinate compliance with its requirements?	<input checked="" type="checkbox"/>	
Does your EEO programme/policy provide for regular reporting on compliance with the policy and/or achievements under the policy?	<input checked="" type="checkbox"/>	
Does your EEO programme/policy set priorities and objectives?	<input checked="" type="checkbox"/>
